

PRODUCT OVERVIEW

SCR 645 CLEANROOM SHOE COVER

CTI's SCR645 Series Shoe Covers are manufactured with the same outstanding quality as all of our other Scientific Division products. They are strong and durable, but made from a lightweight material that offers breathability and comfort. All items are individually inspected for quality and workmanship. The SCR645XL-150 is compatible with class 100 environments and excellent at containing moisture and dirt, while repelling external moisture and oil. The compressed Polyethylene fabric called PP/PE has excellent resistance to chemical corrosion and solvents, is non-toxic, odorless, and heavily textured for sure grip.
