

KIMTECH A7 Certified Liquid Barrier Gown

Description • Meets USP 800 guidelines by providing seamless protection against hazardous drugs, ensuring the safety of operators and the pharmacy environment.

- Advanced protection against spills and splashes of blood-borne pathogens, biologics, or other harmful liquids
- Delivers stringent barrier protection and superior contamination control
- Seamless front and full closure back design, to minimize the risks posed by working with harmful fluids
- Enhanced liquid barrier protection via an impervious fabric†
- Easy don-and-doff design to reduce contamination risk and prevent hazardous liquids from getting on clothing or skin
- Thumb loops to maintain glove and garment interface
- Low lint to minimize contamination
- Bulk-packaged and available in a range of sizes to ensure comfort and compliance
- Tie closures
- Impermeable†
- Meets USP guidelines
- Non-sterile

†As tested per ASTM F739-12 for permeation of chemotherapy drugs and hormones
