

Sweat-less Headbands

VAI offers a protective and comfortable sweat-less headband for use under a bouffant hat in a clean environment. The headbands were designed specifically for the comfort of the end user. Made of 100% nylon tubular fabric, the sweat-less headbands are soft, comfortable, and absorbent. The intended function is to provide a mechanism to absorb perspiration in an easy to use, disposable, and clean product. Overall, this product will eliminate a potential contamination risk and the need for an employee to use products from outside the operation.
