Disposable Cleanroom Mop

Polyester-Microfiber

Item no. 2111108

ISO	3	4	5	6	7	8
GMP			A/B		C	D

BENEFITS & APPLICATIONS:

- Disposable cleanroom mop with pockets
- Highest cleaning ability due to special microfiber looped cleaning pile
- Good price-performance ratio
- Effective and safe alternative to reusable mops
- High area performance through multiple fluid absorbing inserts
- Even and fine fluid distribution on the surface
- Ergonomic handling through ideal gliding properties

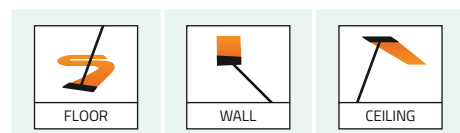

Industry Sectors

Pharma Medical Mechanics
Pharmacy Laboratory

	EF40
Packing	5 mops/pack 20 packs/carton [100 mops/carton]

TECHNICAL SPECIFICATIONS	SPECIFIED VALUE
SIZE	15.75 x 4.92" (± 0.20") 40.0 x 12.5 cm (± 0.5 cm)
WEIGHT	1.76 oz (± 10%) 50 g (± 10%)
COLOR	white
FRONT MATERIAL	80% polyester-microfiber / 20% polyester
BACKING MATERIAL	100% polyester nonwoven
EDGES	100% polyester overlock (bound)
FLUID ABSORPTION	≥ 350%
CHEMICAL COMPATIBILITY	against acids: resistant against alkalis: resistant
SURFACE COVERAGE	140-161 ft ² 13-15 m ²
SHELF LIFE	5 years

APPLICATION
